

Ciarence J. Waybright And Robert C. Lott Are Chosen "Master Farmers"

Six Pennsylvania farmers today were named Master Farmers for 1961 in recognition of farm and community leadership — and two of them are from Adams County.

They are Adams County Commissioner Clarence J. Waybright, Gettysburg R. 2, and Robert C. Lott, Aspers R. 1. Waybright is a dairy and poultry farmer and Lott is a fruitgrower.

The awards are co-sponsored by The Pennsylvania Farmer, a farm magazine, and the Extension Service of the Pennsylvania State University. Announcement of the winners was made jointly by Dr. H. R. Albrecht, director of extension at Penn State, and Dr. Norman F. Reber, editor of the farm magazine.

The judging was done by Dr. William L. Henning, state secretary of agriculture; Dr. Lyman E. Jackson, dean of the Penn State College of Agriculture, and Dr. Albrecht. The winners were chosen from nominations submitted by fellow farmers.

Presentation of the awards will be made next January 9 during the 1962 Farm Show.

Mr. Waybright heads a four-way partnership that operates the Mason-Dixon Farms and includes two sons, Horace and Richard, and a son-in-law, Luther Smith. They represent the sixth generation of Waybrights on the homestead farm.

After farming on the shares for his father, the late Oliver J. Waybright, on 371 acres, Mr. Waybright bought the home farm of 192 acres in 1939. Seven years later, Horace became a partner and they added a 179-acre neighboring place. Richard joined the firm in 1949 and soon the Waybright farmland grew by another 233 acres. The sons, both of whom distinguished themselves in Future Farmers of America ranks in the Gettysburg High School and after graduation, now hold title to two of the places, renting them to the partnership. In addition the firm leases 118 acres and sharecrops 182 acres.

Their dairy herd numbers 200 animals, 128 of them in milk. All are housed in a new feeding barn that holds also 250 tons of stored hay. Silage is stored in three trenches of 1,500-ton capacity. Pipelines take the milk from a new 16-stall herringbone parlor to a 1,000-gallon bulk tank.

Dry cows and calves are housed in another 40 x 85-foot barn put up two years ago. Three other loose housing barns, opening to the south, care for dairy heifers and 200 head of beef cattle.

Building and equipment have been modernized for efficiency and labor saving convenience. A central heating system leads to the main house, farm shop and other buildings and doubles for drying hay and grain.

With the addition of Smith to the partnership, the firm plans to enter the retail milk business this spring. One thousand laying hens produce eggs that will be marketed along with the milk.

Mr. Waybright has served as a Freedom Twp. auditor and school director, was a member of the first Adams County board of school directors, is a director of the Pennsylvania Farm Bureau Cooperative Association and is a member of the county Soil Conservation District Board. He is an active layman in the St. James Lutheran Church here and recently was elected a director of the Farmers State Bank of Emmitsburg.

Reared on a fruit and dairy farm, Mr. Lott early decided on a career in fruit production and his first step was a two-year course in horticulture at the Pennsylvania State University.

A job as gang boss at Trexler Orchards at Orefield, near Allentown, gave him his first practical

Bury Hit-And-Run Victim On Sunday

Funeral services for Eugene D. Crigger, 12, of Abbottstown, who was killed Friday evening by a hit-and-run driver near Abbottstown, were held from the Fred F. Feiser Funeral Home, New Oxford, Sunday afternoon with Rev. John Z. Martin officiating. Burial was in the Rest Haven Cemetery. The pallbearers were Gary Landis, Roy Wentz, Robert Morningstar, Victor Kinneman, Daniel Kuhn and Scott Hafer.

APPLY FOR LICENSE

Kenneth Ronald Sites, Fairfield, and Thelma Kay Martin, Waynesboro R. 1, have filed application for a marriage license in Chambersburg.

LOCAL MAN IS IMPLICATED IN THEFT OF SAFE

John Robert Connors, 42, of 128 York St., was arrested Tuesday by state police detectives at Harrisburg as the "fifth suspect" in a \$26,000 Penbrook safe burglary of 10 months ago.

State police said Connors was charged, as were two other suspects, with conspiracy and being an accessory before and after the burglary.

Connors, according to Harrisburg news reports, is being held in jail there for a hearing. Several weeks ago Connors was held in Harrisburg on another charge, also involving two Harrisburg men, of fleeing an elderly Maryland woman of \$2,350 in a roofing project. That charge against him was dismissed when Maryland state police, who had brought the charge, failed to appear for a hearing before a Harrisburg justice of the peace.

LOOT NOT RECOVERED

The current case against Connors is based on the theft of a safe last February from the home of George S. Moore Jr. of Penbrook. The 250-pound safe was carried from his house while Moore was visiting his wife in a hospital.

Moore, a produce dealer, told investigators the safe contained \$14,000 cash, \$10,000 in government bonds, a \$1,148 diamond watch, a \$743 diamond ring, a \$300 sapphire dinner ring, as well as insurance policies, a coin collection, wills and other valuable personal documents.

The safe was found near Indian-town Gap some weeks after the theft, but none of the cash, jewelry or securities have been recovered, detectives reported.

OTHER ARRESTS

The first of the five suspects apprehended was Robert Eugene Kintzer, 20, of Harrisburg. He was arrested in April on charges stemming from burglaries in Lancaster County and was committed to the Pennsylvania Industrial School at White Hill.

Robert's father, Harry Calvert Kintzer, 44, and Frederick Rudolph Behm, 27, of Middletown Mt. Rd., were picked up last Thursday. Amos Nardini, 47, Annapolis, was picked up last Saturday.

The younger Kintzer and Behm are charged with the burglary, and the older Kintzer, Nardini and Connors are charged with conspiracy and being accessories.

HISTORIANS TO MEET

"Early Silk Culture in Adams County" will be the topic for the January meeting of the Adams County Historical Society next Tuesday evening at "Old Dorn" on the seminary campus. The speaker will be William C. Darrah. The meeting is scheduled for 7:30 p.m.

Nasser's UAR Shattered After Break With Yemen

By MOHAMMED YUSTUS
CAIRO (AP)—President Gamal Abdel Nasser's domain is back where it started—confined to Egypt—following severance of the loose federation that joined the little Arabian Peninsula kingdom of Yemen to the United Arab Republic.

Nasser broke the tie with Yemen Tuesday night, apparently because of the opposition of Yemen's feudal ruler, the Imam Ahmed, to Nasser's accelerating program to convert the U.A.R. to socialism.

Yemeni exiles in Beirut predicted the break with Nasser might touch off a revolution in their homeland that would unseat the imam, one of the world's last absolute monarchs.

The two countries had been linked in the United Arab States, a loose federation formed a month after the proclamation of the U.A.R. joining Egypt and Syria in March 1958.

Syria broke out of the U.A.R.

NEW BUILDING IN TOWN THIS YEAR HITS NEW ALL-TIME HIGH

New construction in Gettysburg for which permits were issued in 1961 will total \$3,344,402, or almost \$2,000,000 more than the \$1,351,710 worth of construction issued in 1960.

The amount is an all-time high for the borough. Biggest single permit ever issued in Gettysburg was granted in 1961 when approval was given for the \$1,189,990 new high school. Even without the high school building, however, new construction in 1961 would have exceeded the amount for which permits were issued in 1960.

Permits have been issued for \$76,042 worth of building in December. The amount is covered in two permits, one granted to Sharon Industries on December 7 for \$27,300 worth of reconstruction to the former Gettysburg Furniture plant along E. Water St., north of the railroad.

\$150,000 MOTEL

The other permit, issued December 20, was to the Larson Corporation for a 10-room addition valued at \$48,742 to its motel on Buford Ave.

Eleven building permits, for construction valued at \$219,400 were issued in November. Those permits included: To James Shetter for placing of aluminum and formstone siding on a home at 226 N. Stratton St. for \$3,000; to Attorney Charles Wolf to tear down an old barn at the Kaltrider property, rear of Baltimore St.; Clarence M. Swinn for alterations and fire escape at 337 Baltimore St., \$1,750; Charles A. Brock, Westminster R. 3, for construction of Scottie Wash and Dry Cleaning Coin Laundry, York St., \$13,200; Allen McDonnell, for addition to L. E. Smith, Gettysburg Commerce and Industry Building, 302 York St., \$5,900; Allen McDonnell, for construction of new motel for Harry Kuhn and Kermit Paxton at the corner of Lincoln Ave. and Carlisle St. for \$150,000.

5 NEW HOMES

Charles Krnias for alterations and repairs to front of storeroom at 58 Chambersburg St., \$200; Attorney Charles W. Wolf for remodeling building at 112 Baltimore St., \$25,000; Victor Re for construction of a frame house on Fourth St., \$15,000; Adams County Historical Society for repairs and alterations at the Old Dormitory on the seminary campus, \$5,000; Codori Roofers to replace slate roof at 116 York St., \$400.

Construction of the new house on Fourth St. marked only the fifth new home for which a permit was granted by the town this year.

Construction of new homes in Gettysburg has been declining over the last several years. There were 24 new homes for which permits were issued in 1958, 23 in 1959, 10 in 1960 and five in 1961.

TOURIST-CONNECTED WORK

New motels, additions to present motels, new service stations and museums comprised the majority of the work planned during 1961, other than the new school construction.

Permits issued during the last several years totaled: 1958, \$2,454,958 (the previous high in construction, when Gettysburg College secured permits for \$1,500,000 worth of work there); 1959, \$1,766,521; 1960, \$1,351,710, and 1961, \$3,344,402.

1961's figures included, beside the \$1,189,990 for the new high school, a total of \$1,193,785 for construction at the college, representing total value of the permits granted for the new physical education building and the addition to the library.

Eugene A. Brady Buried Here Today

Funeral services were held this morning at 10 o'clock from the Bender Funeral Home for Eugene A. Brady, 52, Dover R. 4, formerly of Adams County, who was fatally injured Saturday morning when his car was struck by a Western Maryland train near Thomasville.

The Rev. Francis Reinberger, member of the Gettysburg Lutheran Theological Seminary faculty, officiated. Interment was in the Gettysburg National Cemetery.

The pallbearers were: William Burkey, Ivan Kitzmiller, Leo Gephart, Philip Myers, Russell McKendrick and John Hull.

AUTOS COLLIDE

Autos driven by Harold D. Brown, 43, Fairfield, and Mrs. Vilsie Marie Teague, 59, Falls Church, Va., collided Saturday at 2:45 p.m. on U. S. Route 15 just north of Catoclin Furnace, Md., according to the Maryland State Police.

Mother Pays \$49 Fine For Her Son

A Fairfield youth arrested in Waynesboro Saturday on a disorderly conduct charge was released Sunday after his mother paid his fine and costs of \$49.

Leonard Mark Stevens, 18, was arrested on warrant sworn out by Charles Blubaugh, Waynesboro, who charged that Stevens had created a disturbance in front of his home.

Justice of the Peace J. Edgar Oller assessed a fine and costs of \$19 and charged an additional \$30 in fine and costs on a reckless driving charge dating from December 2.

The youth had not answered the summons sent on the traffic citation.

Belgium And Congo Resume "Relations"

LEOPOLDVILLE, the Congo (AP)—Belgium resumed diplomatic relations with the Congo today, strengthening Premier Cyrille Adoula's hand in dealing with Katanga's secession.

Restoration of relations was announced as Parliament awaited the arrival of Katanga members to take their seats as provided in Adoula's recent unity agreement with Katanga President Moise Tshombe.

Relations with Belgium, former colonial ruler of the Congo, were broken 17 months ago in a fit of anticolonial fury. The late leftist Premier Patrice Lumumba was angered because Belgium tried to protect its citizens and property with troops during the riots after independence.

Belgian interests also supported Tshombe in his defiance of the central government. Belgium investment is heavy in the copper, uranium and other mineral riches of Katanga.

Gradually, the Belgian government and commercial interests in Brussels have swung around to favor Congo unity under a central government in Leopoldville, much to Tshombe's annoyance.

COUPLE HURT AS CAR SKIDS

Mr. and Mrs. Leo C. Groft, 235 Ridge Ave., McSherrystown, were injured Tuesday afternoon at 2:45 o'clock when their car skidded on an icy stretch of highway 3 1/2 miles south of York Springs on the Hanover-Carlisle Rd.

State police said Groft was driving south when his car skidded on the patch of ice and then overturned on an embankment off the road.

Damage to the auto was estimated at \$500. Removed to the Hanover Hospital by a passing motorist, Groft was found to be suffering from a laceration of the forehead, while his wife, Bernadette Groft, 56, suffered a broken right leg.

No one was reported injured in an accident at 2:20 o'clock Tuesday afternoon three miles south of here on the Emmitsburg Rd.

State police said John D. Walther, 34, Columbia, S. C., was driving south and sought to make a left turn into a battlefield avenue in the patch of a northbound auto driven by Russell Thomas Lingle, 18, Washington, D. C. Damage was estimated at \$100 to the Walther car and \$200 to the Lingle auto.

2 Countians Reign Over "Snow Ball"

Two Adams Countians were "king" and "queen" at the snow ball held for the Explorer Scouts of the York-Adams Boy Scout Council Tuesday evening in York.

The "king" was John Farrell, son of Mr. and Mrs. Timothy E. Farrell, Gettysburg R. D., a member of Explorer Post 78 of St. Francis Xavier Catholic Church here. The "queen" was 15-year-old Kathy Keffer of McSherrystown. Dr. and Mrs. Daniel L. Carroll, Hanover, served as host and hostess for the dance held in the Hotel Yorktowne.

MARKET ADVANCES

NEW YORK (AP)—The stock market advanced early this afternoon after an irregular morning. Trading was active.

The Associated Press average of 60 stocks at noon was up 1.20 at 260.70 with industrials up 2.50, rails up .40 and utilities up .20. Gains of fractions to a point or more outnumbered losers among key stocks.

Some of the steels, motors, drugs, chemicals and utilities showed strength.

PROPERTY IS SOLD

Mr. and Mrs. Lavere G. Mummert, Hanover, sold a property in Union Twp. for \$14,500 to Martha F. Wildasin, Union Twp.

BOY, 10, KILLED WHEN HIS SLED CRASHES AUTO

Ten-year-old Wayne Leroy Stair, son of Mr. and Mrs. Walter Stair, Littlestown R. 1, was fatally injured at 4:45 o'clock Tuesday afternoon in a sledding accident on a hill just north of the borough limits of Littlestown.

Dr. C. G. Crist, Adams County coroner, said the boy suffered a fractured skull and crushed chest when his sled struck a station wagon operated by Raymond V. Stoner, 31, of 232 Locust St., Hanover.

State police, who joined Dr. Crist in the investigation, said

WAYNE STAIR

the Stair youth and his six-year-old brother, Roger Lee Stair, were sledding on a hill on a township route near their home, a tenth of a mile north of the borough limits of Littlestown.

CAR WAS STOPPED

As the youngsters came down the hill, police said, Stoner, driving toward them while delivering the Hanover Evening Sun, saw the sled approaching and drove his vehicle off the side of the road and stopped in an effort to avoid the onrushing sled. The sled, however, struck the station wagon and the older of the two boys also struck the vehicle. The younger boy rolled away without injury.

The Littlestown American Legion ambulance was summoned and took the child to the Warner Hospital here where he was pronounced dead on arrival at 5:15 o'clock.

Born June 11, 1951, the child is survived by his brother; his parents, Walter and Sylvia (Six) Stair; his paternal grandparents, Mr. and Mrs. Addison Stair, Littlestown R. 1; his maternal grandmother, Mrs. Vallie Six, Littlestown R. D., and his paternal great-grandmother, Mrs. Ada Wilson, Littlestown.

SERVICES FRIDAY

He was a Fifth Grade student at Rolling Acres Elementary School, Littlestown, and attended Sunday School at St. John's Lutheran Church, Littlestown.

Funeral services will be held Friday afternoon at 2 o'clock from the Little Funeral Home, Littlestown, with Rev. William C. Karns, pastor of St. John's Lutheran Church, Littlestown, officiating. Interment in Mt. Carmel Cemetery, Littlestown.

Friends may call Thursday evening at the funeral home in Littlestown.

FILES FOR DIVORCE

James L. Riggeal, Hanover, has filed suit for divorce in York from Mary E. Riggeal, Orrtanna R. 1.

524 Christmas Traffic Deaths

CHICAGO (AP)—The nation's traffic deaths during the Christmas holiday totaled 524, the highest toll for a three-day Christmas period since 1955.

The Associated Press survey also showed 83 deaths in fires and 86 in miscellaneous accidents. The National Safety Council, had estimated 500 traffic fatalities, said its count showed 523 killed. The traffic toll in last year's Christmas holiday period was 488, the lowest in 10 years for a three-day observance.

The council estimates 330 persons will be killed in auto accidents during the three-day New Year's holiday period starting at 6 p.m. Friday. The toll in last New Year's period, also a Saturday-Sunday-Monday weekend, was 338.

'AG' EXTENSION SERVICE GIVES HELP TO NEEDY

Adams County's Agricultural Extension service is providing a special service to aid those receiving public assistance, the annual report of the county agents and home economists discloses.

The section of the report devoted to home economics, shows that a number of home visits were made to families on Public Assistance and those assisted by private agencies during the last year but "time did not permit regular visits with those families."

To provide additional aid, social workers who make regular visits were enlisted in the project. A seminar on food buying, planning and preparation was held with an extension specialist and state nutritionist leading the discussion.

DAILY MENUS, TOO

Among material prepared for the social workers were "daily menu check sheets" to be used by the social workers in suggesting better nutrition for the families. At a later meeting with the social workers on management, a housekeeping schedule was provided to be distributed to the homes visited by the social workers.

"In addition," the report discloses, "each month the specialists have prepared a 'menu of the month' using good buys and surplus foods for distribution to the families receiving aid. While the county does not distribute surplus foods, these are usually economical, buys. The menu sheets also show how better meal planning can improve health and vigor."

According to the report, the social workers are now planning with the extension service for a seminar on ways to aid the aged in the county.

Bar Sledding On School's Terraces

The "no sledding" sign is gone but the rule against sledding on the sloping lawn at the north end of the Keefeauver Elementary School building remains in force, school authorities said.

The steep slope there makes the spot attractive to sledders but when the snow cover is light, it's very hard on the grass. Winter damage results in spring washing, it was pointed out.

A sign giving notice of the rule against sledding there disappeared over night.

ADAMS COUNTY CERTIFIED TO SIXTH CLASS

The Adams County commissioners this morning were winding up 1961 business and starting affairs for 1962.

One big change was symbolized by the printed certification from Governor David Lawrence stating that Adams County is now a sixth class county, after having been a seventh class county for more than a half century.

The certificate was framed and placed on the commissioners' desks at the courthouse this morning.

CHANGES TO COME

The new status for the county begins January 1, but will make no difference in salaries or time schedules for the present board of commissioners who are serving out terms started while the county was seventh class. It will probably mean higher salaries and more mandatory meetings for the next board of commissioners. Meanwhile the present commissioners, who officially are allowed only one meeting a week, will continue almost daily visits to the courthouse to attend to business as needed.

The commissioners were continuing today their study of a retirement plan for county employees—mandatory when a county becomes sixth class.

As to other changes, the commissioners were not quite sure what the future will hold for the county as a sixth class entity. Some changes are mandatory, some permissive, and the changes will come over the next several years when present office holders leave their posts and new ones are elected under new rules. Apparently one change will be placing of the clerk of courts on a salary.

MISS PFEIFFER RESIGNS

The commissioners this morning received the resignation of Miss Helen Pfeiffer, Baltimore St., as secretary to the county's chief assessor, a post she had held for the last two years. She has accepted a position in the office of Congressman George Goodling at Washington. No replacement was immediately named.

This afternoon the commissioners visited several bridges scheduled for repair. With one new bridge started during 1960, at Kohler's Mill, the commissioners are considering construction of another new bridge in 1962 but have not yet made a decision on which of the old bridges to replace.

3 PHYSICIANS RE-APPOINTED

Three Gettysburg physicians have been named to council, commission and committee posts in the Pennsylvania Medical Society by Dr. Daniel H. Bee, of Indiana, Pa., president.

Dr. Roy W. Gifford was reappointed chairman of the Commission on Federal Medical Services and member of the Council on Governmental Relations. Dr. C. Parold Johnson was reappointed to the Commission on Blue Cross-Shield and Dr. James H. Allison was selected once again to serve on the subcommittee on fee schedules for general practice.

The appointments are for one year.

Drs. Gifford, Johnson and Allison were among some 250 physicians selected from the 11,000 members of the PMS by Dr. Bee to serve on committees, administrative councils and commissions of the Medical Society.

Christmas Seal Returns Reported

Returns from the annual Christmas seal sale by the Adams County Tuberculosis Society are approaching the \$3,500 mark and persons who have not responded to the annual seal letter are urged to do so by Dr. Raymond F. Sheely, president of the society. Current receipts total \$3,489.30. A year ago the total was \$3,358.55.

"Funds raised in the annual Christmas seal campaign are used for local and state programs of nursing scholarships, chest x-rays and a variety of other special projects," the county president said. "The funds also make possible health education programs, medical research and rehabilitation of TB patients."

COMMITTEE TO MEET

The Industrial Committee of the Gettysburg Chamber of Commerce will meet Thursday noon at the Lamp Post Tea Room for its final meeting of the year. Chairman J. Howard Gaines is urging attendance by all members of the committee.

PSEA SESSION OPENS TODAY IN HARRISBURG

HARRISBURG (AP)—The 109th annual convention of the Pennsylvania State Education Association gets under way in Harrisburg today with compulsory school district reorganization expected to draw most of the attention.

More than 2,000 educators from across Pennsylvania began streaming into the state's capital city Tuesday for the start of the three-day session.

The PSEA represents some 80,000 teachers and school administrators.

HAVE BACKED PRINCIPLE

Although many subjects were to be put before the group, it was a foregone conclusion compulsory reorganization—a product of the 1961 legislature—would be one of the prime topics.

The delegates will formally present their views at a general session Thursday afternoon when resolutions are considered.

The PSEA long has endorsed compulsory reorganization in principle.

Whether or not it approves the specific plan adopted by the legislature remains to be seen.

LEGISLATURE FAILED

It is expected the delegates will have some criticisms to pass around concerning the handling of educational goals during the year.

In the past they have been critical of both legislative and administration.

That their reaction to the past general assembly's work on education will be mostly negative was indicated by pronouncements of PSEA officials following the close of the session Sept. 1.

To them, the session, insofar as education was concerned, was pretty much a failure.

TO INSTALL OFFICERS

"The great needs of education were not met," said Harvey E. Gayman, executive director of the PSEA, in a recent statement.

The theme for the convention is "curricular trends in tune with tomorrow."

Featured speakers include Gen. Alfred M. Gruenther, president of the American National Red Cross, Gov. Lawrence and Dr. Charles H. Boehm, superintendent of public instruction in Pennsylvania.

The PSEA will install new officers for the coming year Friday. Dr. Baker G. Thompson, superintendent of Delaware County schools, is the outgoing president.

A classroom teacher will be elected to succeed him under the organization's policy of rotating the job between teachers and administrators.

Wedding

Bowers-Crouse

Miss Janet Marie Crouse, daughter of Mr. and Mrs. William Crouse, Littlestown R. 1, and Jackie J. Bowers, son of Mr. and Mrs. Stephen S. Bowers, Westminster R. 1, were united in marriage on Saturday at 2 p.m. in St. Mary's United Church of Christ, Silver Run. The double ring ceremony was performed by the bride's uncle, the Rev. George E. Bowers, McSherrystown, in a setting of poinsettias and greens.

The couple was attended by Mr. and Mrs. David K. Douthat, Ellicott City, Md., cousins of the bride.

The bride was attired in a street length dress of white nylon chiffon over net and taffeta, styled with a scoop neckline, shirred cummerbund and full skirt. She wore a lace jacket with three-quarter length sleeves, over the dress. Her short illusion veil was caught by a white satin bow headpiece. She carried a nosegay of red chrysanthemums.

Mrs. Douthat wore a red chiffon street length dress, fashioned with a fitted bodice, bateau neckline and bouffant skirt. She had a white velvet hat and veil, and carried a bouquet of white roses and white chrysanthemums.

COLD WEATHER FIRES SMUDGE POTS IN FLA.

By THE ASSOCIATED PRESS

The storm front that brought a white Christmas to a large area of the nation has spread smudging cold throughout the South, dropping temperatures below freezing as far south as Florida.

Farmers fired smudge pots Monday night in an attempt to ward off killing frost in agricultural sections of Florida, which had its coldest Christmas Day on record.

Forecaster Arnold Sugg said the icy Canadian cold front that caused blizzards in the north over the weekend had pushed through Florida and into the Caribbean Christmas Day. Low readings Monday included 42 at Miami, a record for Dec. 25.

24 AT TALLAHASSEE

Readings skidded into the 20s in much of northern Florida Tuesday. It was 27 at Jacksonville, 24 at Tallahassee, 38 in Tampa and 43 in Miami, Birmingham, Ala., reported 28 degrees.

In the Midwest, the area hardest hit by the snow storm, digging out still was going on. Rescue workers reached 12 persons Monday at a pumping station near Maryville, Mo., where they had been marooned several days by six-foot drifts.

Light snow was reported Tuesday from the western central Plains to the northeastern upper Great Lakes. Showers dampened the Pacific northwest, changing to snow in the mountains.

Skies were mostly cloudy across the northern part of the country, where temperatures were seasonably cold. Readings were mostly in the 20s but ranged as low as 4 degrees at Farmington, N.M., 5 at Glasgow, Mont., and 6 at Minot, N.D.

BLAZES MAR CELEBRATION OF CHRISTMAS

By THE ASSOCIATED PRESS

Spectacular fires marred both the coming and going of Christmas Day.

Baltimore, Md., firemen fought into the early morning hours Tuesday before gaining control of a multiple alarm fire in a six-story building housing a wholesale produce firm just south of the downtown business district.

At least eight firemen were overcome as heavy smoke poured from the structure. Several were sent to hospitals.

In Nashville, Tenn., fire gutted the century-old Maxwell House Hotel Monday night, sending its guests fleeing into 30-degree weather. Firemen vainly fought the blaze for two hours. All the hotel's occupants were believed safe, although one elderly man was unaccounted for in the confusion.

4 DIE IN BLAZE

At Groton, N.Y., a mother and her two remaining sons spent their Christmas Day in mourning for the other members of their family and a friend.

Irene L. Thayer's husband died Nov. 3 after undergoing surgery. Three of her five children and a hired hand died late Saturday night in a fire that destroyed the two-story frame farmhouse she rented.

The hired hand, Robert Brown, 28, was found cradling the body of May Thayer, 5, for whom he re-entered a burning bedroom in a vain rescue attempt.

Wildcats Leave For Sun Bowl

PHILADELPHIA (AP)—Villanova's football team leaves today by jet from International Airport for El Paso, Tex., where the Wildcats will meet Wichita Saturday in the Sun Bowl.

Villanova Coach Alex Bell said he plans to hold the first post-Christmas workout later this afternoon. It will be the Wildcats' first drill since last Friday.

Bell said the 38-man squad was in tip-top shape. He said he plans to devote a good deal of practice sessions in El Paso to pass defense.

Watchman's Body Found By Firemen

PHILADELPHIA (AP)—The body of a part time night watchman, his face gashed and bruised, was found by firemen Tuesday night in a smoke filled sheet metal plant.

Police said the victim, James Atkins, about 35, was lying on his back on the second floor of the two-story row building. He was found by firemen called to extinguish an oil heater blaze in an adjacent house.

Police said the medical examiner's office has been called in to determine cause of death.

BULLETINS

WASHINGTON (AP)—Mrs. Woodrow Wilson is gravely ill with a respiratory infection and complications, her physician says.

The doctor reported Tuesday night that the 89-year-old widow of the former President has been ill for three weeks. He said her condition grew worse several days ago but now is slightly improved.

Mrs. Wilson is at her Washington home where she and the President moved after he left the White House in 1921.

VIENTIANE, Laos (AP)—The heralded three-princes' meeting apparently collapsed today in less than an hour.

After months of maneuvering by Laotian politicians and pressure by foreign diplomats, neutralist Prince Souvanna Phouma and his pro-Communist half-brother Souphanouvong arrived for talks with pro-Western Premier Boun Oum on formation of a coalition government.

Boun Oum neither met them at the airport nor went to the appointed meeting place. Growing impatient, the two visiting princes finally paid a courtesy call on Prince Boun Oum at his residence. The meeting lasted less than an hour.

Boun Oum told newsmen that as far as he was concerned there was no further need of a princely meeting.

ALLIES PLEAD FOR "PEACE AND UNITY"

By THE ASSOCIATED PRESS

Leaders of the Western world appealed for peace and unity in Christmas messages Monday while expressing grave concern over differences dividing major powers and flareups troubling lesser ones.

President Kennedy assured West Berliners in a taped television broadcast that the beacon of free Berlin "will continue to shine brightly for many years to come."

"We are at your side—as before," Kennedy declared. "We shall stay until truly there is good will among men, not walls to divide them, our pursuit of peace shall continue."

ASSUME NEW BURDENS

West Berlin Mayor Willy Brandt, cabled Kennedy his appreciation, asserting that "Berliners will take upon themselves new burdens rather than to forsake convictions and principles which free men all over the world are willing to defend."

Churches were filled to capacity in both East and West Berlin. The grim concrete and barbed-wire wall the Communists threw up to divide the city was softened a bit by the first Christmas snow in five years. Some 800 lighted Christmas trees twinkled along the Western side of the wall to remind the East Berliners they were not forgotten.

Queen Elizabeth II said in a broadcast to the nations of the British Commonwealth: "We can only dispel the clouds of anxiety by the patient and determined efforts of us all. It cannot be done by condemning the past or by contracting out of the present. Angry words and accusations certainly don't do any good, however justified they may be."

Palestinians, pilgrims and tourists packed the Christian churches at Jerusalem, and about 10,000 visitors journeyed across the Judean hills to services at Bethlehem, bathed in a brilliant winter sun.

QUEEN'S MESSAGE

Amid the prayers and the feasting, violence erupted as usual. In Algeria the underground Secret Army Organization of anti-French Frenchmen proclaimed a Christmas truce. But elsewhere in the North African territory terrorism from both sides of the French-Algerian conflict resulted in the deaths of 17 Algerians and 14 Europeans, and the wounding of 33 Algerians and 24 Europeans.

Messages from Queen Juliana of the Netherlands and President Sukarno of Indonesia to their peoples reflected the rising tension between the two nations over Dutch-held West New Guinea.

PRAY FOR PROSPERITY

Roman Catholic priests in Goa, biggest of the three enclaves which India captured last week, prayed for the prosperity of India at special services. The bishop of Pangim—the Goan capital—charged that the Portuguese had deprived Goans of full freedom and called Indian Prime Minister Nehru the world's No. 1 man of peace.

The Chinese Communists broke a record 104-day lull in the Formosa Strait and fired 53 shells at the Quemoy Islands, the Chinese Nationalist Defense Ministry announced in Taipei.

It was a white Christmas and a bitterly cold one for much of the northern part of the United States and Europe. Snow blanketed most of Scandinavia, parts of Germany and from the Rockies east in the United States. Even Florida was hit by a cold wave. Traffic deaths mounted on the icy roads, but the National Safety Council doled the toll would exceed 1955's record of 609 highway dead.

PHILADELPHIA (AP)—Police arrested five men and six boys Tuesday as a result of a free-for-all fight aboard a Market Street elevated subway train.

During the melee firecrackers were exploded.

Police said the fight broke out on the east bound train after several passengers coming from a dance got aboard in West Philadelphia. The engineer stopped the three-car train three stations later and called for help.

Six police squad cars were sent. Policemen boarded the train and seized what they called "the most troublesome riders." They were charged with disorderly conduct.

experience in large scale fruit growing. Training in marketing followed in two years of service with the fruit and vegetable division of the Bureau of Markets, state Department of Agriculture.

By 1937 he and Mrs. Lott, the former Mary Piercy of Allentown, decided to go into the fruit game on their own. They bought Bear Mountain Orchards, then a rundown, eroded place with 16 acres of aged apple trees and a 20-acre young peach stand. They filled gullies, pruned and sprayed the trees, bought equipment and started urgent repairs to the house and other farm buildings.

Their orchards now cover 276 acres and their 1961 apple crop totaled 60,000 bushels. In addition they produce peaches, sour cherries, plums, pears, and tomatoes.

Two of their four children, Robert Jr., and Elizabeth Anne, following in the family tradition and taking a leaf from their father's book, are pursuing horticulture courses at Penn State. The two younger children, John and Sheila, are grade school pupils.

Perseverance has rewarded the Lotts. They admit "the going was not always easy." They recall with gratitude also that "we have had many friends who proved of real help on many occasions."

Lott has been a Menallen Twp. school director for 18 years. He is active in the Adams County Fruitgrowers Association, the Pennsylvania State Horticultural Association, the Agricultural Extension Association, the Upper Adams Lions Club, and the State Council of Soil Conservation District Directors.

SECOND IN FAMILY

He is following in the footsteps of an older brother, William M. Lott, Gardner R. D. fruitgrower, in winning the Master Farmer award. William Lott became a Master Farmer 13 years ago. Pennsylvania Farmer records show this is the first two brothers, operating independently, have won the Master Farmer honor.

Robert Lott is the youngest son of Mrs. David G. Lott, E. High St. The other Pennsylvanians who will receive the "MF" award at the state Farm Show in January are: Paul J. Yahner, Patton R. 1, Cambria County, a large-scale poultry raiser; Paul S. Konhaus, Mechanicsburg, who produces milk and turkeys; Louis J. Wagner, North East R. 1, another fruitgrower, and James E. Work, Uniontown R. 4, who at 34 is the youngest in the group. He is a member of the Pennsylvania Farm Show Commission, is a son of G. Emerson Work, member of the state Milk Control Commission, and operates a 2,147-acre dairy and livestock ranch.

Reds Expected Allies To Knock Down Berlin Wall

WASHINGTON (AP)—Sen. Hugh Scott, R-Pa., says he was told by some defected East German police that they had orders to withdraw if the Allies moved in to smash the Berlin wall.

Scott, back from four weeks in Western Europe, said in an interview recorded for radio and television stations in Pennsylvania that the Western powers could have and should have "knocked the wall down."

He said he interviewed some of the East German military police who defected to the West.

"We learned from them in direct questioning that, had we moved in to smash the wall down, their orders were to withdraw and not to fire unless we fired on government buildings," Scott said.

"And I also happen to know that only one out of four of these soldiers had bullets in his gun and therefore we could have done it."

Crash Victim Has Faint Christmas

STATE CENTER, Iowa (AP)—Ann Hilleman moved her hand a few inches, fondled a stuffed toy, and smiled.

The smile, the excitement in her eyes and that tiny movement with her hand were the 17-year-old girl's only acknowledgments of Christmas at the farm home of Mr. and Mrs. Arnold Hilleman.

She lay in bed, a few feet from the gaily decorated Christmas tree, while her parents, three sisters and a brother muted their celebration so the commotion wouldn't tax Ann's strength.

Her weak attempts to join the fun renewed the Hilleman's faith that Ann would yet recover from injuries suffered in a tragic crash last May after a high school prom.

She had lain unconscious more than four months after the crash, in which a school chum was killed.

WOULD ACCEPT SENATE DRAFT

By THE ASSOCIATED PRESS

Secretary of Welfare Abraham A. Ribicoff says he would accept a draft to run for the U.S. Senate from Connecticut next year.

Ribicoff, one of President Kennedy's earliest political supporters, said Tuesday night that a story in the Hartford Courant saying he might accept the draft for the Democratic nomination was "basically correct."

His statement followed the declarations of two Democratic congressmen that they will seek the governorships of their states in 1962.

Rep. Samuel S. Stratton, a two-term Democrat from Schenectady who has fared well politically in a Republican area, announced he will seek the governorship of New York.

Rep. Dale Alford, elected to Congress in the aftermath of school integration troubles in his home town of Little Rock, declared he will seek the Democratic nomination for governor of Arkansas.

Ribicoff has been rumored as a possible opponent for Sen. Prescott Bush, a Republican who has said he will seek re-election.

Countian Is On Duty On Okinawa

Pfc. Earnest L. Flesman, 19, son of Mr. and Mrs. Earnest T. Flesman, York Springs R. 2, is a member of the 57th Artillery which recently moved from Fort Sill, Okla., to Okinawa.

The 57th is armed with the Little John, a highly mobile air-transportation free rocket which is designed to provide support for the Army division. A lightweight, solid-propellant rocket, it is capable of carrying a nuclear warhead. The Little John, which is 12 feet long and 12½ inches in diameter, can be moved by light vehicles or helicopter and can be dropped by parachute.

Flesman, a recorder in the artillery's 1st Missile Battalion, entered the Army in December, 1960, and completed basic training at Fort Knox, Ky.

He attended Bermudian Springs High School and worked for the Gettysburg Shoe Company in East Berlin prior to entering the Army.

Weather

Extended forecasts for Dec. 28 through Jan. 1:

Western Pennsylvania — Temperatures will average near normal, colder Thursday and Friday, then warmer over the weekend. Precipitation will average ½ to ¾ inch, occurring as periods of snow or snow flurries Thursday and Friday and again next week.

Middle Atlantic States — Temperatures will average near normal. Turning colder Thursday and continued rather cold through the remainder of the period. Snow flurries in the mountains Thursday and rain near the coast ending early Thursday. Rain or snow about Sunday. Precipitation will total ¼ to ½ inch.

Eastern Pennsylvania, southeastern New York and New Jersey — Temperatures are expected to average three to nine degrees above normal except near normal in southeastern Pennsylvania.

Moderate temperatures throughout except cold Friday and again about Monday. Precipitation may total more than ½ inch, occurring as rain or snow Thursday and again late Sunday with scattered showers Saturday.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
TWENTY-FIVE YEARS AGO
Coal Trucker Held In Death Of Boy On Wagon: Unable to explain why his truck struck a wagon being driven along the Hanover-Carlisle road, a mile north of Hampton, Saturday afternoon at 2:30 o'clock resulting in the death of Chester Grist, 9, East Berli R. 1, Paul E. Lloyd, 32, Bridgeton, York county, is a prisoner in the county jail here in default of \$1,000 bail for his appearance at a coroner's inquest.

Tri-County Business Leaders Ask \$500,000 Appropriation To Attract Travel To State: Representatives of all Chambers of Commerce, Rotary clubs, Lions clubs, Kiwanis clubs, manufacturers' associations, motor clubs and daily newspapers — except two of the latter — from Adams, York and Franklin counties, at a luncheon meeting at Hotel Gettysburg Tuesday noon, adopted a resolution urging the next state legislature to appropriate \$500,000 for the next biennium to publicize Pennsylvania as a travel and vacation center, and to promote throughout the nation the scenic and historic value of the Keystone state.

Adopts Resolution To Stop Drinking: Ordered From Town: Adopting a New Year's resolution to stop drinking — but he didn't say for how long — George Shaffer, Brooklyn, N. Y., was released from the borough lock-up this afternoon at 2 o'clock and ordered from the town by Justice of the Peace John C. Shearer.

After Shaffer had heard Borough Officer Charles W. Culp recount his wild behavior of Tuesday afternoon on Steinwehr avenue when he frightened housewives he said: "To be frank with you, judge, I believe so much of that stuff ain't so good for me at times." The gin he got in Harrisburg at a state store, mixed with some refreshments he procured at the "goat farm" at the southern edge of town, was the cause of his misbehavior — "Cause I ain't a bad fellow when I'm normal, judge," Shaffer insisted.

School Paper Wins Awards: The Maroon and White, Gettysburg high school publication, won third place in class D competition at the conference of the Pennsylvania scholastic press association at Hershey, Tuesday and Wednesday. The awards to the winning papers, among the more than 200 entered in competition, were announced Wednesday afternoon.
Class D schools include all those with student enrollments numbering between 300 and 500. Gettysburg high tied with the Palmerton high school paper for third place in the class. First place was won by the West York high school publication.

Adams County Leads State In Apples Shipped: Shipping about a third of the total number of carloads of apples dispatched by rail in the state of Pennsylvania, Adams county ranks first among the apple shipping counties of the state, a United States department of Agriculture report reveals. More than 1,000 carloads of choice apples will be shipped from this county, fruitmen say.
Already more than 400 carloads of apples, containing from 500 to 600 bushels of apples each, have been sent out of Adams county by rail this season. Since the packing houses closed, about November 15, more than 75 carloads have been shipped and about 50 of them were destined for foreign consumption.

Today's Talk

ADVICE
The cheapest commodity in this world is advice. That's why so many people give it away. Advice should be something to keep until asked for.
We all need suggestions to guide us along the way. But advice should be sought, else its power for helpfulness becomes doubtful. You see, advice that you give to someone else may have been thought out as good advice for yourself but turn out to be the worst possible for another.
Circumstances often wither the best of advice so that it is in the way.
To keep one's mouth shut is an accomplishment both rare and refreshing.
The lawyer sells his advice. And the client gladly pays a great sum to his lawyer because he has faith in his advice.
There are so many things we could give away, and which would make other people very happy, that advice really takes a back seat and is of little importance excepting when highly cultivated through experience or special study and research.
How many times we have given our advice only to see it come back to us in a very unhappy state of mind and full of blame. But kindness, generous impulses that have been put to action, sincere love, encouragement, inspiring words, never come back except when they return with interest compounded again and again.
Seek advice, but do not give it. Unless requested!

Just Folks
FRIENDLY GREETINGS
Once in an old time picture book My father called on me to look Upon a miser, counting gold Within his hoard bleak and cold. A little chest of brass-bound wood Upon the floor beside him stood. The room was bare and he appeared As ragged as his untrimmed beard, A creature most forlorn and sad Counting the dearest friends he had.

'Tis strange that picture I should find Still fresh and vivid in my mind, And after all the years recall That miser of my boyhood small. Yet suddenly I seem to be Counting my friends the same as he And gloating (yes, the term is right) Not over coins of metal bright, But over stacks of Christmas cards Which brought us love and high regards.

Here for a happy hour or more I've run these Christmas greetings o'er. Each one a friend, who, far or near, Has sent to me a line of cheer. Behold the stack! I'll swear it seems Beyond a miser's wildest dreams. Again I gloat: "Friends everywhere!" And still not one that I can spare. Here in this lovely tinselled heap Are riches that I hope to keep. Engle Holds Secret Football Practice

ST. AUGUSTINE, Fla. (AP) — Coach Rip Engle ordered the gates closed for Penn State's football practice this afternoon.
No spectators and no newspapermen, Engle decreed as he prepared to drill his Nittany Lions for Saturday's Gator Bowl game against Georgia Tech at Jacksonville.
"We aren't planning any major changes," Engle said, "but we want something a little different for every game. We may go back and resurrect some for this one."
He said this will be the only closed practice. Thursday's session will be supervised but newsmen will be admitted, he said, and the final light drill Friday will be merely for limbering up.

BULK FROZEN FOODS TO BE BIG PART IN '62 ECONOMY

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—Food in the bag—whether to boil or to store in bulk in freezers—may play a bigger part in your life in the new year.

It will if today's plans of both the food packaging industry and the makers of polyethylene work out on schedule.
They are confident of expansion of the already fast growing boil-in-the-bag sales.

They also count on selling you on the idea of frozen vegetables in family-size proportions—but not in solid blocks—packaged in these filmy bags. This way food can be taken from the package to fit your individual need at the moment, with the remainder going back in the freezer.

WILL PUSH SALES
Noting the rapidly increasing number of bags that can be heated in boiling water, the U.S. Industrial Chemicals Co., predicts this will help push total polyethylene sales in 1962 by 10 to 15 per cent.
The Modern Foods Council says 100 million boil-in-the-bag units were sold this year. There are some 100 food items so packaged by about 40 food processors. They predict hopefully that sales will reach 300 million units before 1965.

The Food and Drug Administration permits the use of polyethylene film under prescribed safety conditions. Uses range from production of packaging materials and containers to equipment intended for use in producing processing, transporting or holding food.

NEW USES
Polyethylene makers and food processors say this ruling has opened the door now to many possible new uses.

Example: Coatings for milk cartons and bakery trays. Other developments reported include lining for cartons to hold liquids, and formed containers with tear tapes.

Formed Container Corp. asserts it can offer price advantages for the polyethylene packs as against older forms of food containers.

This is seconded by the Flexible Packaging Division of Continental Can Co. which supplies polyethylene film.

Money spent in early research in the polyethylene packaging for food by Seaman Bros. has paid off well, its chairman, John B. Fowler Jr., says. A pioneer in the field was its Seabrook Farms division.

with a campaign to get housewives to buy boil-in-the-bag foods.
CONSERVE VITAMINS
Birdseye and many other food packagers are marketing fruits and vegetables in the new packs. Their sales talk is that by preserving frozen foods in such bags and then popping them into boiling water, the housewife can either thaw and warm prepared food or cook frozen raw foods and conserve the vitamin content of the food in the bag.
Fowler says the boil-in-the-bag principle makes possible packing special diets for hospital or home use and providing restaurants with ready entrees.
Food firms like Armour, General Foods and Seaman Bros. are working hard now to convince restaurant owners to join the parade in numbers and volume of usage.

4 CHARGED WITH MACING

TUNKHANNOCK, Pa. (AP) — Five Wyoming County residents have been charged with a conspiracy to make highway employees for political contributions to the Democratic party.

The charges were in a presentment handed up Tuesday by a grand jury to Judge Robert W. Trembath of Wyoming County.

Named as co-conspirators were George Ciprich, Laceyville, Wyoming County Democratic chairman, and Ezra Carter of Falls, Edward Smurkowski of Meshoppen, Robert White of Factoryville, and Paul Heller of Laceyville, all supervisory employees of the state Highways Department.

The presentment was prepared by Dist. Atty. R. A. Gardner. He took no immediate action against the five.

Ciprich, who during the grand jury investigation labeled it politically inspired, said he would "rather not comment or make any statement at this time."

He has denied there was any organized macing of state workers. He said previously the object of the investigation was to discredit the Democratic organization during statewide elections.

The presentment charged "the system of indirect demand" called for department of highway workers to contribute a percentage of gross wages or salaries to the Democratic organization. The percentage was not spelled out, the presentment said.

INTEGRATION DEFEATED
GREENVILLE, S. C. (AP) — The South Carolina Baptist Convention, at its recent annual meeting, "resoundingly" defeated a motion to begin racial integration at the state's Baptist colleges, according to Baptist Press.

Another Candidate For State Governor

HARRISBURG (AP) — Charles J. Schmitt, president of the Pennsylvania Horse Racing Association, was the newest entry today in the mounting field of candidates for governor next year.
Schmitt, a resident of Girard in Erie County, announced his candidacy Tuesday in a statement mailed to Harrisburg. He did not list a party affiliation.

Schmitt has been an advocate of legal betting both on and off the tracks for a number of years.

He included legalization of book-making establishments, bingo and a state lottery in his campaign promises. He also proposed elimination of the State Milk Control Commission and stricter regulations on strip mining.

APPLE A DAY KEEPS DOCTOR FROM STUDENT

By THE ASSOCIATED PRESS

An apple a day, life under high gravity and facial growth are items in the medical news:

APPLE MEDICINE
An apple a day does seem to keep the doctor away.

At least, students eating two to three apples daily made far fewer calls at Michigan State University's Health Center for upper respiratory infections and tension-pressure complaints than non-apple eaters.

The three-year study, started by the late Dr. Eugene H. Lucas, involved more than 1,300 apple eaters, compared with all the rest of the students.

The apple eaters made one-third fewer calls for upper respiratory infections than expected for the entire student body. They made only one-sixth as many calls because of tension or pressure phenomena, including pressure headaches, nervousness, and inability to concentrate.

As to why, investigators say perhaps the vitamin C content of apples was helpful, or a better balanced diet, or perhaps because of some tranquilizer in apples.

HIGH GRAVITY LIFE

When and if man colonizes planets bigger than earth, he may find children a bit stunted in growth.

For these were the physical effects on mice living under gravity pull three to seven times greater than on the earth, report Dr. Charles C. Wunder and associates of the State University of Iowa. The bigger a planet is, the greater is its gravity.

The mice lived in cages spun by a centrifuge at speeds up to 5,000 revolutions per minute. In a few weeks, the animals adjust to the increased gravity. But they have small appetites, and in size become smaller than mice living under normal gravity.

FACE GROWTH

The human face is slow in reaching full growth, reports Dr. Jagdish K. Bambha of Denver on

Rebels' Air Game To Defeat Texas

DALLAS, Tex. (AP) — Mississippi is favored to win the Cotton Bowl game next Monday because of a passing attack that ranked No. 2 in the nation.

Texas generally is conceded to be superior on the ground but while its touchdown output there was more than Mississippi the margin wasn't as wide as Mississippi's in the air.

The Rebels threw for 19 touchdowns compared to 11 for Texas. They also averaged 182.7 yards per game along the air lanes, which is more than twice as much as Texas held its opponents to. The Texas defense yielded 85.9.

Bolts Face Susquehannock In Tourney; BHS Matmen In Northern Invitation

Only Littlestown High School's varsity basketball team (1-3) is slated for action this week as all other county teams enjoy a break in their schedules although most are engaged in practice sessions prior to resuming action next week.

Jack Bream's Thunderbolts will meet Susquehannock this evening at 8:15 o'clock in the second game of the Susquehannock tournament at Glen Rock. The opener at 7 p.m. was a 70-60 victory for the Bolts over Red Lion against York Central. Winners of tonight's game will meet Friday night for the tourney title while the losers will clash in the preliminary consolation game. Team trophies and a "most valuable player" trophy will be awarded on vote of the coaches.

WRESTLING TOURNEY

One other scholastic squad, the Biglerville High wrestling outfit, will take part in the Northern Joint invitational tournament at Dillsburg Friday and Saturday.

In addition to the host team and the Cannons, other schools who will compete include Big Spring, Chief Logan, Cumberland Valley, Middletown, Spring Grove and West York.

Preliminaries and quarterfinals are scheduled to start Friday evening at 7 o'clock. Twenty-four matches will be held Saturday afternoon starting at 1:30 with the 12 championship bouts listed to get underway Saturday evening at 7:30. The Cannons are 2-2 for the regular season.

SOUTH PENN TO OPEN

Next Tuesday evening the final South Penn Basketball League schedule will open with Hanover meeting the Gettysburg High Warriors here and Biglerville invading Carlisle. Chambersburg is idle. The Warriors are the defending titlists.

The Adams-Franklin League will resume play next Tuesday when Bermudian plays at Quincy and Greencastle invades Buchanan. The next evening Fairfield is at New Oxford, Littlestown at Scotland and St. Thomas at Fannett-Metal.

WILDCATS AND DUQUESNE WIN TOURNEY TILTS

By GEORGE ESPER

PHILADELPHIA (AP)—Despite an easy 17-point victory over Wyoming in the opening round of the first Quaker City Basketball Tournament, Coach Red Manning of favored Duquesne feels his unbeaten Dukes had an off-night.

But Coach Jack Kraft of undefeated Villanova, whose second favored Wildcats will face the No. 3 nationally ranked Dukes in the semifinals at the Palestra Thursday night, didn't agree with Manning.

After the 64-47 victory Tuesday night, Duquesne's seventh, Manning said: "We were poor. The offense was not maneuvering like it should have and we weren't playing the boards as we should have. The kids and I know we can do better."

Kraft, whose Wildcats easily defeated Niagara 72-45 for their ninth straight, called the Dukes a "very, very good and solid club."

CUT ON SIZE
After a slow start, Duquesne got its offense going smoothly enough to take command of the game as Clyde Arnold, a 6-6 senior from Uhrichsville, Ohio, took scoring honors with 18 points. Arnold sat out the last 15 minutes of the game after suffering from a cut over the left eye which required three stitches to close.

In reviewing the game, Manning said the Dukes "probably missed" starter Bill Stromple, who was dressed but didn't play because of a bruised hand. Manning said, too, that possibly his Dukes had the "jitters" since this was their first away game this year.

Kraft said he was very pleased with the way Villanova performed—one of its best games this year. Villanova's big guns were leading scorer Hubie White and Jim McMonagle, who each collected 17 points.

BUCKEYES TO BE TESTED AT CAGE CLASSIC

By WILL GRIMSLEY

Associated Press Sports Writer
Unbeaten Ohio State was a unanimous choice today for the No. 1 position in The Associated Press major college basketball poll.

Winner of their first seven games by margins of from 13 to 43 points, the Buckeyes continued to dominate the voting among a special panel of sports writers and broadcasters. They received all the 42 ballots cast for first place.

Cincinnati, the national collegiate—NCAA—champion, held on to second despite a 52-51 loss to Wichita, but the rest of the standings underwent considerable change.

OTHER TOP TEAMS

Completing the top ten were: 3. Duquesne; 4. Southern California; 5. Kansas State; 6. Kentucky; 7. West Virginia; 8. Wichita; 9. Purdue and 10. Duke.

Newcomers to the standings were Wichita, which followed up its victory over Cincinnati with a 60-48 rout of Santa Clara; Kentucky, 80-67 winner over Kansas State; and Duke, winner over West Virginia 69-65.

Ousted were Providence, which fell all the way from third place to the also-ran category after dropping decisions at DePaul and Xavier of Ohio; ninth-place St. Bonaventure, beaten 74-57 by Duquesne; and Seattle and Arizona State, which had been tied for tenth.

The poll included games through Monday but none of the post-Christmas tournament action.

The top ten, based on 10 for first place vote, 9 for second, etc., with first place votes in parentheses:

1. Ohio State (42) 420
2. Cincinnati 317
3. Duquesne 257
4. Southern California 235
5. Kansas State 197
6. Kentucky 153
7. West Virginia 120
8. Wichita 96
9. Purdue 93
10. Duke 90

AUSSIES TAKE TENTH CUP IN TWELVE YEARS

MELBOURNE, Australia (AP)—A team as hot as the sun that blistered the Kooyong Stadium courts for two days clinched Australia's 10th Davis Cup tennis championship in 12 years today, sweeping the doubles for a 3-0 lead over challenger Italy without loss of a set.

The Australian pair of Neale Fraser and Roy Emerson routed Nicola Pietrangeli and Orlando Sirola 6-2, 6-3, 6-4 for the clincher before a crowd of about 9,000, who chanted the near 100 degree temperatures to be in on the kill of the Italians for the second straight year.

There was about as much tension to the doubles match as Tuesday's singles—also straight set romps in which Emerson turned back Pietrangeli 8-6, 6-4, 6-0 and Australian ace Rod Laver disposed of Sirola 6-1, 6-4, 6-3.

MERE FORMALITY
The sweep reduced Thursday's closing singles matches to formalities and proved again that the Italians are far from Australia's class when it comes to playing on grass courts.

Coupled with a midsummer heat wave that today shot the mercury to 96 in the shade and an estimated 110 at court-side, the surface handicap and the exceptionally steady play of the Australian team was too much to overcome.

The Italians, who eliminated the United States the last two years to reach the challenge round, scored only one service break against Emerson and the veteran Fraser.

Holy Cross 73-64, bottling up the Crusaders' Jack Foley. Foley, the nation's second leading scorer with a 30-point plus average, managed only 12 points. He made only 3 field goals in 11 attempts.

The Quakers, who hit on 46.8 per cent of their field goals and 13 out of 13 free throws, were sparked by John Wideman who scored 21 points and grabbed 10 rebounds.

Iowa beat Penn State 67-46 with a big second half after leading by only one point at the end of the first half. Don Nelson, Iowa's 6-6 star, led all scorers with 29 points. At one point in the second half, Penn State went 10½ minutes without scoring a field goal.

RULE LICENSE FOR TRACK IS LEGAL GRANT

HARRISBURG (AP)—Commonwealth Court has upheld the constitutionality of a pari-mutuel harness racing license awarded to the Liberty Bell Racing Association.

The court handed down the decision Tuesday, rejecting an appeal by the Keystone Trotting Association to have the license declared "null and void."

Attorneys Edward C. First Jr. and Gilbert Nurick, representing Keystone Trotting, contended the State Harness Racing Commission awarded the Liberty Bell license without first conducting comparative hearings among other groups seeking similar licenses.

RECENT RULING REFERENCE

First and Nurick also claimed Keystone's application for a license was turned down by the commission because Liberty Bell got one.

President Judge William H. Neely pointed to a recent decision by the State Supreme Court in upholding both the license and the method in which the license was awarded.

Claiming the commission did nothing illegal, Judge Neely wrote "We believe the statute is deficient in failing to provide for hearings, but the responsibility for that deficiency lies with the legislature, not the Harness Racing Commission. The legislature must assume full responsibility for the entire horse race betting business."

Under the act, the commission

Colorado Sees Red In LSU's Newspaper

MIAMI, Fla. (AP) — A "forty-to-nothing by halftime" prediction has given the underdog Colorado football team unexpected ammunition to use against Louisiana State.

Coach Paul Dietzel, who brought his fourth-ranked LSU Tigers to town Tuesday, winced at the psychological warfare weapon Colorado has found in preparations for Monday's Orange Bowl game.

A New Orleans newspaper was quoted here as saying "Louisiana State will not embarrass the Orange Bowl Committee by winning by more than 40 points." It continued by saying the early kickoff would permit television viewers (ABC-TV) to see LSU run up a 40-0 halftime count before they switched to other games.

Dietzel battled to maintain his poise and choke back the words on the "40-0 story."

"I don't think we have any advantages in the build-up to this game," he said later. Dietzel referred unhappily to the fact LSU was favored. "Colorado has all the advantages going for it," he added.

The second license went to the Bucks County Racing Association which plans to use the Liberty Bell track, and the third went to Washington Trotting Association in southwestern Pennsylvania.

The fourth license is still pending. Max Hempt of Mechanicsburg and a group of central Pennsylvanians make up the Keystone

TOUGH GAME IS PREDICTED FOR ROSE BOWL

PASADENA, Calif. (AP) — The Rose Bowl game patriarch of all post-season bowl games, promises to be a display of "stone age football," in its 48th renewal on New Year's Day.

This was, more or less, the admission Tuesday of the two coaches embroiled in the Pasadena classic, Murray Warmath of favored Minnesota and Bill Barnes of UCLA.

Appearing at the dedication of the new \$356,000 Rose Bowl press box, those two proteges of the University of Tennessee's famed football purist, Gen. Bob Neyland, predicted a slam-bang game free of gridiron chicanery.

There may have been more truth than tongue-in-cheek when Barnes told more than 100 football experts of varying pedigrees: "We don't have any secrets but I know that this will be a tremendous football game. We hope our stone age football pays off."

Warmath said his Gophers have tried a few new "little knick-knacks," but added: "What we have been doing all season got us here and that's what we hope will sustain us next Monday."

All-Northern Division MAC Soccer Team Honors For Two Bullet Booters

BUCKEYES ARE STILL NO. 1 TEAM IN U.S.

By BOB GREEN

Associated Press Sports Writer
Mighty Ohio State, the nation's No. 1 college basketball team, heads into the Los Angeles Classic tonight—the biggest challenge it is likely to encounter until the postseason tournaments.

Waiting for the Jerry Lucas-led Buckeyes are three of the top 10 teams in the country: Southern California, Purdue and West Virginia. A capable Utah team form the principal opposition for all-winning Ohio State.

The Buckeyes take on Washington in first-round play in the classic, one of the most important of the holiday tournaments. Also kicking off tonight are the Big Eight affair in Kansas City and the Far West in Portland, Ore.

OKLAHOMA TOURNEY

The last two first-round games in the All-College tourney at Oklahoma City also are on tap. The survivors of first-round action in the ECAC Holiday Festival in New York and the Quaker City in Philadelphia take the day off.

First-round play in three major tournaments Tuesday night—the ECAC Holiday Festival in New York, the Quaker City in Philadelphia and the All-College in Oklahoma City—produced some mild upsets but generally went according to form.

Two previously unbeaten teams, Cornell and New York University, were eliminated from the exclusive list. NYU (now 6-11) before unbeaten Dayton (7-0) 75-67 in Holiday Festival first-round match while Bradley (6-2) stopped touring Cornell's winning streak at six with a 85-59 trouncing of the Big Red in a nontourney game.

CINCINNATI WINS

Second-ranked Cincinnati had no trouble eliminating St. John's (N.Y.) 97-68. Wisconsin handed slumping Providence its third straight loss, 95-84 and LaSalle toyed with Dartmouth 87-66 in other Holiday Festival games.

The semifinal pairings Thursday have LaSalle (5-1) vs. defending NCAA champion Cincinnati (7-1) and unbeaten Dayton (7-0) vs. Wisconsin (5-2).

In Philadelphia, Villanova and Duquesne retained unbeaten records with easy first-round victories and will meet in a semifinal match Thursday. Villanova crushed Niagara 72-45 while third-ranked Duquesne bombed Wyoming 64-47.

OTHER GAMES

In other Quaker City first-round 73-64 and Iowa stopped Penn

Eleven soccer players representing six Middle Atlantic Conference colleges have been selected on the 1961 MAC Northern College All-Division team.

Rutgers' All-American Herb Schmidt led the division in scoring this season with 17 goals in seven conference games. Schmidt, selected on the all-division first team, scored over half of the Scarlet Knights' goals as Rutgers finished in first place in the northern division with a 7-0-0 record.

Hofstra placed three men on the first team, while Gettysburg, Lehigh and Stevens each had two players elected and Elizabethtown one player.

First team selections were: G, Steve Cox, Gettysburg; RF, Mike Broniecki, Lehigh; LF, John Unstall, Hofstra; RH, John Nussbaumer, Stevens; CH, Bruce Gillin, Lehigh; LH, Charles Crossan, Gettysburg; OR, Jack Antos, Hofstra; IR, Jerry Boddorf, Elizabethtown; CF, Herb Schmidt, Rutgers; IL, Jim Dugan, Hofstra; and OL, Bohdan Domarsky, Stevens.

Second team: G, William Dickerson, Lafayette; RF, Rosario Mattesich, Stevens; LF, Fred Hooper, Lafayette; RH, Richard Collins, Muhlenberg; CH, John Canzenelle, Hofstra; LH, Richard Bartolome, Hofstra; OR, Ray Truex, Gettysburg; IR, John Mastracola, Hofstra; CF, Lynn Ott, Bucknell; IL, Fred Geigley, Lycoming; OL, Kerry Johnson, Gettysburg.

Honorable mentions included the following: LF, Gerken; CH, Lucas; CF, Ed Burchell; IL, King Gore.

The Bullets finished third in the division with a 7-2 record.

The division's top scorers and their scoring total against conference opponents are: (1) Herb Schmidt, Rutgers, 17; (2) Fred Feigley, Lycoming, 11; (3) Jim Dugan, Hofstra, 10, and Al Hershey, Elizabethtown, 10; (5) Jerry Boddorf, Elizabethtown, 9, and Lyman Ott, Bucknell, 9; (7) Robert Kroehler, Hofstra, and Tony McGlaughlin, Elizabethtown, 7; (9) Kerry Johnson, Gettysburg, and John Meyers, Rutgers, 6.

73-68.

Thursday semis pit Villanova (9-0) and the powerful Duquesne Dukes (7-0) and Penn (5-1) goes against Iowa (5-2).

Houston came from behind and beat Texas Christian 82-76 and Utah State took Oklahoma City 80-71 in first-round games in the All-College. Seattle puts its 5-0 record on the line against Bowling Green (5-1) and eighth-ranked Wichita (8-1) meets Texas A&M (4-2) in other first rounders tonight.

34-Year-Old Mother Of 9 To Celebrate 25th Anniversary

TREADWAY, Tenn. (AP)—Mrs. Charlie Johns will be 34 years old when she and her husband celebrate their 25th wedding anniversary next month.

"I'd do it all over again," said Johns, who was 22 when he married Eunice Winsted, 9, near this East Tennessee mountain town Jan. 19, 1937.

"I've never been sorry or regretted it," Johns told the Knoxville Journal in a copyright interview, the first Johns had granted in nine years. "She has always been as good to me as could be. She's a good mother and a good housekeeper."

Their marriage caused a national uproar and the Tennessee Legislature later made 16 the minimum age for marriage in the state.

HAVE 9 CHILDREN

The Johns have nine children. Eight still live on their 65-acre farm which provides a simple but ample living for the family. The oldest daughter, Evelyn, now 18, was married last year to John Henry Antrican. Charlie objected to the marriage at first, but later gave the couple his blessing.

"We get along together as good or better than other couples I know," Charlie said. "I guess she'd do it again if she had it to do over, I've never asked her that. She hasn't had it too bad, or any worse than folks we know."

"We don't go out much. I go to the store a couple of times a week and Eunice goes to the doctor now and then. That's about it. We don't dislike people; we just don't trust many of them."

He said his marriage and family life is "no one's business but ours, but it's okay to let them know how it turned out."

Vending Company Seeks New Appeal

HARRISBURG (AP)—The Arrow Vending and Distributing Corp. of Philadelphia looked to Commonwealth Court today for final action on its bid to get back its cigarette tax license for 1962.

Arrow Vending went to court Tuesday to appeal a decision by the State Revenue Department, turning down the firm's application for renewal of the license.

The court took the case under advisement.

Revenue Department aides said last week they rejected the application because Arrow Vending failed to account for \$700,000 in state taxes in 1961.

MAN KILLED IN "EL" WRECK ON TUESDAY NIGHT

By LEE LINDER

PHILADELPHIA (AP)—One person was killed and at least 35 others injured Tuesday night when an elevated train rammed a station platform derailing four of its five cars.

The four cars were left teetering against a thin iron railing 35 feet above a busy West Philadelphia intersection.

Short circuits lit up the area intermittently with electrical flashes for 15 minutes following the accident at the Philadelphia Transportation Co.'s York and Dauphin Streets station.

ENTERING STATION

The dead man was identified as Earl Gibson, 45, Philadelphia. Police said they believed he was an employee of the PTC, but were still unsure today whether he was aboard the train or standing on a catwalk where he was found.

Witnesses said the westbound train was entering the station after emerging from a 20 degree turn. The first car apparently struck a concrete catwalk dislodging huge chunks of it and hurling them to the street below.

Investigator said the train bounced crazily for more than 200 feet before coming to rest, tilted against the railing.

100 ON TRAIN

Falling concrete smashed several store windows, but no one was apparently hit. Witnesses said it was fortunate the iron railing held, as the train halted directly over the intersection where there were no buildings to support it.

Police said there were about 100 passengers on the train, all of whom were trapped briefly until rescue workers could guide them to safety along the narrow catwalk. The 35 injured were taken to nearby hospitals but none was apparently hurt seriously.

CAUSE NOT CERTAIN

Investigators said the cause of the accident had not been determined immediately. The PTC and the city dispatched engineers with in an hour to check the structural

Repayments Help Offset Aid Costs

WASHINGTON (AP)—U.S. aid to foreign nations totaled \$5.2 billion last fiscal year, but big repayments by other countries cut the net figure to \$3.9 billion, smallest since World War II.

This report, issued by the Commerce Department Monday noted that the \$5.2 billion was the largest amount of military and economic aid since the 1953 fiscal year when it totaled \$6,352,000,000. Included in the figures were such items as Mutual Security, Food for Peace, Export-Import Bank, and other programs.

safety of the tracks

The station, through which pass more than 50,000 persons at peak hours, was closed and shuttle buses put into service. The PTC said efforts would be made to get the station repaired by this evening's rush hour. Most of the damage was to the electrical circuits along the third rail and to the catwalk.

A Lovelier You

By MARY SUE MILLER

PERFUME PRIMER FOR TEENS. Is there a teen so tom-girly still, that she thinks perfume a sissy frill? Let's hope not!

The use of fragrance is a feminine prerogative. One drop, and you somehow feel lovelier. But to pass the message on to others, you must apply scents with a delicate touch. Or perfume turns to "perfume."

A lovely's way with fragrance follows: Apply only a whisk of perfume, as it is strong and long-lasting. Touch it to the base of the throat and the insides of the wrists; the warmth of the pulse in those spots release the full aroma.

Because perfume stains on fabric and may stain, avoid applications to clothing. Sachet is the fragrance form that lends sweet airs to a wardrobe, when packets are stowed in bureau drawers and attached to coat hangers.

Being a diluted version of perfume, cologne or toilet water may be used lavishly. Rub down with it after baths or spray it on while dressing. When you spray either perfume or cologne the coverage is more effective, so less is required and none is wasted.

Remembering that time is long between Christmas and birthday bottles, you would never want to

squander a drop. Other than deft use, what increases mileage is proper care — keeping containers tightly closed and away from sunlight and heat.

Do wear and enjoy your fragrances—a light cologne by day, perfume on important occasions. A scent deteriorates if hoarded overlong, and therein is the greatest possible waste.

May Strike For Four-Hour Day

NEW YORK (AP)—The possibility of a New Year's Eve strike hung heavy today over this transit-keyed metropolis' bus and subway lines. Also threatening a Jan. 1 walkout were 9,000 electricians.

With negotiations in their customary last-week crisis stage, members of the Transport Workers Union were summoned to a strike meeting tonight.

Michael J. Quill, TWU international president, said employees of the Transit Authority and seven private bus lines would be asked to authorize a walkout if a contract dispute wasn't resolved.

Shorter work weeks are key issues in both strike threats. The transit union demands a four-day, 32-hour week. The electricians have asked a four-hour day instead of the present six-hour day.

WILL REQUEST EXTRA MONEY FOR SCHOOLS

By HERB LINNEN

HARRISBURG (AP)—The Commonwealth expects to end the current fiscal period with a general fund surplus perhaps as big as \$6 million, a Lawrence administration aide said today.

However, David H. Kurtzman, secretary of administration, said any such surplus would result from unspent, or so-called lapsed, appropriations rather than from revenue sources.

Asked if the surplus might hit as high as \$10 million, Kurtzman told The Associated Press:

TO SEEK SCHOOL MONEY

"We expect that it could run between \$5 and \$10 million. All of it would come from lapses in appropriations rather than from revenue. And the surplus would have to be used to balance the 1962-63 budget."

This is the first time the administration has given any figures

concerning a possible surplus at the end of the current fiscal period next June 30. Gov. Lawrence told his last news conference there would be a small surplus from revenue collections.

In a related development, House Minority Leader Albert W. Johnson, R-McKean, pledged a GOP drive to increase school subsidies by \$8 million in the 1962 legislative session which convenes next Tuesday noon.

"The additional \$8 million can be found out of current revenue, and from lapses from existing appropriations," Johnson said in a statement.

But Kurtzman held that any surplus next year must be used to balance the 1962-63 budget. Lawrence expects to balance his budget this fiscal period and he has indicated a determination to do it again in his last year in office.

The separate statements from Kurtzman and Johnson set up the prospect for a lively discussion of state school aid in the 1962 General Assembly.

3 STUDENTS WIN PLACES IN DISTRICT BAND

Three Bermudian Springs High School students were chosen to participate in the Southern District band after tryouts held in Hershey December 8. They are: Linda Hinkle, E-flat clarinet; Cynthia Zepp, alto clarinet; and Barry Boyer, bass horn. Other students who tried out were Sara Moore and Mark Weiser.

Approximately 600 people attended the first annual Christmas program in the high school gymnasium.

The chorus is now practicing for a spring concert to be held in April.

The usherettes for the Senior play were Alma Anderson, Bonna Byers, Sandy Wenschhof, Tena Group and Louise Weigel. Bonna Byers was the chairman of the refreshment committee. Donna Jacobs, Barb Hess and the usherettes were on this committee. The poster committee consisted of Chairman Dick Hoffman, Sandy Barbour, Barb Hess and Betty McCartney. The programs for the Senior play were made by Susan Cashman and Louise Weigel.

LIST 4 PROGRAMS

The student council at a recent meeting approved the purchase of seven strings of lights for a Christ-

mas tree that was placed in the main lobby; granted permission to the Sophomore Class to sponsor a dance December 30, and granted permission to the Tri-Hi-Y to hold a bake sale.

Decision to purchase a soda dispenser and the selection of four assembly programs for next year highlighted a meeting of the activities committee. The soda dispenser will be purchased with student activity funds and will be used at basketball games and other school activities. The four assembly programs chosen are the "Gyrosopes," the "Swiss Yodlers" and the "Ambassadors of Variety," all for the high school and "Robin Hood" for the elementary schools.

Season activity tickets are being sold to the public for \$5 each and to students for \$2.50.

Bermudian Springs schools participated again in the annual United Fund drive. The United Fund includes appeals for the March of Dimes, Salvation Army, Red Cross and the Heart and Cancer funds.

The History Club went on a short field trip recently. Clyde Kennedy, club advisor, took the members on a tour of the Wierman estate and Sulphur Springs, points of historical interest near the school. In a meeting following the trip, dates for a skating party planned were discussed.

The 11th and 12th Grade agriculture classes took a field trip to the Lloyd Spahr farm three miles west of East Berlin. Spahr showed the boys the modern egg

AIRLIFT 220 FOR BIG MEET

VIENTIANE, Laos (AP)—The International Control Commission Tuesday began an airlift of 220 neutralist and pro-Communist troops to Vientiane for the long-awaited meeting Wednesday of Laos' three political princes.

The princes—pro-Western Boun Oum, neutralist Souvanna Phouma and pro-Communist Souphanouvong—are to discuss allocation of posts in a coalition government headed by Souvanna Phouma. The three-day meeting is expected to be only the first of several that must be held before agreement is reached.

The first of five scheduled plane flights arrived with 45 soldiers to guard Souvanna Phouma, all clad in French-style paratrooper fatigues and armed with Soviet and U.S. weapons. A second flight landed with 45 Pathet Lao troops assigned to Souphanouvong.

The two princes agreed Sunday to meet with Boun Oum, premier of the Vientiane royal government, after security arrangements for the talks were set up by their military representatives.

room with egg grader and built-in candier, the new caging house with automatic feeding and ventilation systems and the new corn bin and corn dryer. Later the Ninth and Tenth Grade agriculture classes took the same trip.

MORE SNOW BY END OF WEEK IS FORECAST

Pennsylvanians braced for more harsh weather and bone-chilling temperatures as they continued digging out from winter's first big storm.

The forecast from the U.S. Weather Bureau at Harrisburg called for temperatures between 25 and 35 degrees, accompanied by brisk winds in many areas.

Bureau aides also held out the possibility of more snow by the end of the week—just in time for the New Year holidays.

2 STORM SYSTEMS

A pair of storm systems—one from the south, the other from the west—battered Pennsylvania over the weekend, dumping up to 13.9 inches of snow in Harrisburg and variable depths ranging from 2 to 7 inches in other parts of the state.

Brookville in the north central sector got 7 inches, Williamsport 6; Scranton, Allentown and Philadelphia 5; Philadelphia, Bradford and Altoona 4, and Pittsburgh and Erie 3.

Brisk winds whipped up drifts in and around the Harrisburg area Sunday, creating new problems for the weary road crews

which had spent much of Christmas Eve at work.

The Harrisburg Street Department put all available manpower and equipment to work, but despite its efforts, minor accidents were reported in almost every section of town.

At least seven highway deaths were attributed to the storm throughout the state.

Christmas day was cold and windy, with only the western half of the state reporting occasional snow flurry activity. A steady stream of sunshine spread over most of the rest of the state.

The sun helped melt most of the snow on streets in the Philadelphia area. Other areas of Pennsylvania reported icy patches and snow covered side streets, making driving conditions still hazardous.
